

Northern Dirt Riders Association

- Protecting your right to ride -

2009 Membership Form

The Northern Dirt Riders Association is a group of off-road motorcycle enthusiasts looking to make the most of the short Northern Summers. Our mandate is to promote land stewardship to ensure land use availability for future motorcycle enthusiasts through the development of managed riding areas.

Many associations across BC were formed out of protest. Fortunately, our riding areas are not in danger – yet. By joining the association you will be proactive, give us strength in numbers and be part of great group of folks who simply, love to ride. Thanks for your interest and keep the rubber side down.

Your annual \$50 membership fee (\$85 per family) will be applied to the direct costs of building and maintaining a dirt bike trail system in the Peace. Thank you for your support.
